

Educating with Unifiedknowledge:

Foundation Course One.

a course for adults; parents & teachers
course reference : [EWU:FC1]

Parents, teachers, teaching assistants and other educators,
treat yourself to a profound learning experience and build your
capacities as a holistic, intuitive and unifying educator.

This 2 hour per 1 evening per week x 12 weeks course gives a comprehensive introductory overview to 1) the **culture**, 2) the **objectives** and 3) the **principles, processes and protocols** of the "*unifiedknowledge Practice*".

These three broad themes are further detailed online here:

The unifiedknowledge Approach to Education.

unifiedknowledge.org/links/unifiedknowledge.html

unifiedknowledge Practice is about learning from a place of being that strives to draw on the best of human potentials. It is an organic approach to learning where art, mathematics and the sciences are taught as one – naturally integrated. It involves creative & cultural arts, visualisation, writing, individual and team work, fun, presentations, logic, challenge, visual arts, reasoning, humour, music creation, multi-media, intuition and creativity in abundance.

የጥምር ዕውቀት yeht'mr urwuk'eht

The unifiedknowledge Approach to Education

~ The Basic Bullet Point Summary ~

1. Culture

The cultural basis of yeht'mr urwuk'eht (unifiedknowledge) is:

- 1:: pan-African አልኩላን, diversity and global unity
- 2:: Kemetic (classical references of Ancient Egypt, Kush and related African cultures) ከምት

2. Objectives

The main objectives of yeht'mr urwuk'eht (unifiedknowledge) are the development of:

- 1:: Peace (love - ቆጥር ፍቅር, well-being)
- 2:: The Mind's Core
 - Consciousness -
 - Will -
 - Communications -
 - Creativity -
- 3:: Principled Living (ማክት)
- 4:: Productive Capacity
- 5:: Healthful Space
- 6:: Humanity Overstood

How do you carry your valuables?
unifiedknowledge carries the most essential educational values

3. Principles, Processes & Protocols of Practice

The principles, processes and protocols of the yeht'mr urwuk'eht (unifiedknowledge) practice are:

- 1:: Hashima ሐሺማ
 respectful ways with a "truth, justice, order and rights" code of conduct - maat at the nucleus.
- 2:: Maat ማክት
 Universal Orders, Natural Orders & Human Social Orders (ethics)
- 3:: Maat ማክት
 Hisab (Mathematics)
 patterns, calculations, visualisation, truth.
- 4:: Tehwagi Asab የተዋጊ አሳብ (The Warrior Idea)
 for contemplation and points of agreement.
- 5:: Gzat ግዛት (Province)
 the study of space (One's province) [land, air & mind; physical (from dense to light) & metaphysical] in all domains [personal, family, community, national, earth (planet) & universal]
- 6:: Harmony with Nature
- 7:: Mind-Breath-Body Harmonies
 consciously applied forms such a dance, sports, yoga, martial arts etc.
- 8:: The unifiedknowledge Language ቋንቋ
 language reintegrated; speak, read, write (with African script), hand sign, play as music and all with clearly expressible classical forms.
- 9:: Curriculum, Graduations & Accreditation
- 10:: The Story
 the primal and classic way humans preserve, convey and bring out important knowledge.
